ACTIVITIES & PLANS

1. ASC/OA funding for participation projects

Casey Southern Series

This week Greg Armstrong has been offered the position of Series Co-ordinator for the Casey Southern Series.

The maps are completed and we have course setters for the first 3 events. Course setters are still required for events 4 and 5.

There is a page on the OV website for the series and additional information will be added to this page shortly.

Sprint Series

All clubs except Tuckonie has supplied a list of possible areas to map. A consolidated list is being compiled and will be distributed to the PAS subcommittee prior to the next PAS meeting, when a short list will be determined. The mappers, Martin Steer and Aaron Dodd will also be asked to input into the decision.

2. PAS Winter Series 2012

The scoring events for the winter events have now finished with novelty events and prize giving happening this week.

3. PAS Summer Series 2012/13
Fixture has been distributed and event calendar is on PAS web site. The Monday Southern Series has not yet found a new Coordinator. In the interim until a new coordinator is found the organising club for the evening will be asked to fill this role as well.
4. Park and Street Championships
This is currently being progressed by Ray Howe and his team. The board's endorsement and caveats are being passed onto this team so they can be taken into consideration.
