Heck of a lot of work with getting Primary Schools Champs up and ready esp with introduction of Si cards.

## Sport and Recreation projects:

### Permanent Course – Westerfolds

30 posts (plus 5 spares) have been delivered. Sample on show at meeting

### Reporting

6 monthly report required in late December.

### ASC “Market Segmentation Pilot” project i.e.

#### Boronia Heights Primary School

School selected 25 students to take part in VPSOC- Eastern Zone. A great achievement.

## School sessions

- Heathdale Christian College- Brimbank Park
- Presentation College – Alma Park
- Lauriston Girls Schools – CRP
- Canterbury Girls SC – CRP
- Camberwell HS – CRP

## Professional Development

Sirius College – part of ISIK Schools (Muslim) in Keysborough x 12 teachers. Held on 24<sup>th</sup> October.

## VSPOC 2013.

Record number of entries this year.

- Western Zone 535
- Eastern Zone 772
- Macedon won West,
- Glen Katherine won East.

Due to high entry numbers there were not enough SI cards. OV owns 500, needed 541.....so borrowed Si sticks from YV.

### Recommendation

OV schools purchase a further 100 Si cards approx \$1450....also replace two lost si cards.

### Research Needed

Research required into printer for Results Display Labels

Apparently ACT uses a printer for large stick on labels for results display. If this options looks good and print size large enough will recommend OV schools purchase printer for use at Schools Champs.

Discuss with Ian Dodd.

## Vic Schools Team 2013
