

Communications and Marketing Officer Report – October 2013
Orienteering Victoria Council Meeting

2014 BushO Fixtures Guide

A printed version of the 2014 Bush Orienteering Fixtures list is in preparation, to be distributed to OV members in December, and subject to approval of the events list by OV Council in October. I envisage an 8-page booklet containing fixture information on Championships, State Series, MelBushO, Bendigo, Eureka, Albury/Wodonga and Sprint Series events. Also included would be General Course information and Orienteering Victoria membership details. Peter Cusworth has agreed to design the booklet, when he returns from his medal-winning exploits in Portugal! I do, however, need event information soon if this is to be a success.

Weekly Bulletin

The weekly email bulletin goes out to 950 subscribers every Wednesday, with fixture and results details, as well as the ever-popular YouTube video link. Facebook numbers now exceed 110, growing steadily.

Target Events

I have reviewed target events for the remainder of the year. These are the new Sprint Series (including Vic Championships), Vic Primary Schools Champs, Vic Night Champs and Vic MTBO Series events.

Dennis Mews
Communications and Marketing Officer
