

## FEES AND LEVIES FOR 2017

Fees and levies for 2017 were agreed following the October 2016 Orienteering Victoria Council meeting.

### MEMBERSHIP FEES

Membership of a club and Orienteering Victoria are linked and will be paid together. All members will be registered on Eventor. It is preferable that each person register themselves and pay through Eventor using PayPal or POLi. However some clubs may be willing to take membership fees and register on someone's behalf. Fees are payable and due by the end of February 2017.

Membership includes *Australian Orienteer* magazine online. A hard copy can be ordered for no extra cost.

|   |                        |
|---|------------------------|
| Senior member   | \$35 plus the club fee |
| Junior (20 years or less at 31 <sup>st</sup> December 2017) | \$6                    |
| Associate member  | \$100                  |

### CLUB AFFILIATION

\$600 per club per year, except for clubs of less than 25 members, or distant club (Albury Wodonga) \$100.

### EVENT ENTRY FEES AND LEVIES

Entry fees for events are set by sub-committees (park/street, MelBushO) or by clubs (state series) to cover costs including levies. Event levies are payable on all events on the Orienteering Victoria calendar. Levies are charged per person; the flat rate includes life members. State series events have a \$10 differential for non-members as an incentive to become a member.

#### For all event levies

- Rates quoted are a flat rate for all members for both Orienteering Victoria and Orienteering Australia, including life members
- Add \$10 (State Series) for casual members
- If a series has any discount for entry fees, the levies are not discounted
- Rates listed above apply until the end of 2017 (except for park/street levies, where they apply until the end of the 2017/18 summer series)
- Club training events are not levied. The club will be responsible for promotion, funding and other support
- Event designated as a fundraiser for a national team member or team will have OV levies waived (but not the OA levies), on the proviso that the event is fixtured in advance as such, and receives OV Board approval; and that all proceeds after deduction of expenses are directed towards the fundraising
- OA levies, but not OV levies, are payable on Schools Championships events at the lowest level. Other school sessions are not levied

#### Payment of levies

Levies are due to Orienteering Victoria after the event:

1. For pre-entry events where entries and payment have been collected through Eventor, the levy form only should be sent to the Treasurer of Orienteering Victoria. The balance of the entry money less the levy amount (and collection fee) will be transferred to the club account.
2. Levies for Park/Street events are paid by the Park/Street Treasurer on behalf of the clubs.
3. Levies for all other events are paid by the club directly after the event, accompanied by the levy form. Details are given on the bottom of the levy form.
