

SUMMER MTBO SERIES

A series of summer evening low-key Mountain Bike Orienteering events this summer. Ideal as an introduction to MTBO or for those wishing to enjoy a summer-evening bike ride of discovery.

Riders have up to 75 minutes to visit as many controls on the supplied colour map as you want. You choose which ones to visit and which way to get there and back. Each control is worth 20 points. 10 points penalty per minute for those longer than 75 minutes.
