*Please read and digest the attachment from The Commission for Children and Young People.*

OV is required to work towards adopting the Child Safe Standards as from Jan 1<sup>st</sup> 2017, OV must start work on developing these policies and then have every club agree to implement and comply the standards. There is a 12 month time limit on reviewing, developing and implementing OV's and the Clubs' policies.

Both Vicsport and 'The Commission for Children and Young People' have created useful online resources-

1. Developing a Child Safe Policy
2. Child Safe Policy Template( for SSA / Clubs)
3. Developing a Child Safe Code of Conduct
4. Child Safe Code of Conduct template

The OV Board needs to create a timeline to complete these standards during 2017.

The February 'Policy day' could be a starting point?
