ASC SS moving to Secondary schools

I have received the first booking for SS in a secondary school. It is The Lakes South Morang P – 9 school.

Tertiary

ACU runs a 2 day program with me. 1st is basic skills, 2nd is more advanced navigation and the introduction of compass use.

Final session will be on 16th September at Christmas Hills.

Work Experience students from ACU.

One of the ACU students requested 4 days placement towards her work experience. Rylie Charles has worked 3 days and will finish by working with her peer group at Xmas Hills. She is a very competent student and has worked extremely well on all programs and with OV staff.

Shade grants

Applications are now open for round 2 of Shade grants. Deadline 6th October.

I will be applying for 2 pop up tents for schools program.

DHHS – New Child Safe legislation. Child Safe Standards - Industry Update

Date: Thursday 29th September

Time: 9.30am – 12pm

Venue to be advised

- In response to requests for information on the impending Child Safe Standards, Vicsport is holding an information session for CEOs and Senior Managers.

This is your opportunity to understand:

- What is required for your organisation to comply with the legislation
- What steps your sport can take to develop a child safe culture
- What support will be available for your sport
- An industry update will also be provided outlining upcoming opportunities of significance to Vicsport members.
