

Education Manager and Sports Administrator Report- OV Board meeting 17th March 2016

Schools Serviced (Jan to Mid March)

1. RMIT – Hanging Rock x 80
2. Yarraman Oaks PS – Jells Pk x 55
3. Mater Christi College – CRP x 14

VSSOC 2016

Event information, entry form and Victorian Team selection details – posted to OV website, emailed to schools and individuals, included in OV weekly e-bulletin. – during first week of March.

School Sport Victoria

Signed off on SSV Partnership Agreement 2016 – 2018
“Use of SSV logo must be approved prior to any publication”.

Eastern Summer Series Inter School Challenge.

Jon Gordon has been employed to co ordinate this competition.

Three main schools are competing: Camberwell GS, Scotch College and Trinity GS.

Small grant applications.

1. Defibrillator – **successful**. Ruth and I have signed off n agreement. Once we receive official endorsement and receive the defib machine OV is required to organise a training session for its members.
- It appears that those Clubs who also applied have been unsuccessful this time round. 100 out of 900 applications were granted.
- Orienteering needs a minimum of units to cover the events i.e. Ballarat/Bendigo/ Albury Wodonga/ Park and Street x 2, MTBO, Bush and Schools.

Need to discuss priority usage for OV.

2. Sunshade grant: 2- 3m x 3m sunshades (schools program) - **Unsuccessful**. Was informed the online application did not come thru! All attachments were received. Obviously a problem at other end as was informed many people had problems.

ASC Sporting Schools

OV has serviced the following schools in Term 1.

1. Trentham PS- mapped and instructed
2. Keilor Views PS- mapped
3. Kerrimuir PS – mapped and instructed
4. Our Lady's PS – Surrey Hills – mapped and instructed

9. Comadai PS (nr Bacchus Marsh)
10. Kilberry Valley PS – Hampton Pk ?
11. Belverdere PS - ?

Other mapping projects:

1. Waverley Christian School
2. Dandenong High School

SRV

1. Received notification that OV has been **successful** in its application for **SVSR 2016-2019** funding.
2. Over 3.5 years OV will receive \$157,000 i.e. \$45,000 plus gst per year.
3. Michelle Khuu, SRV consultant, has arranged a meeting at Westerfolds on Thursday 24th March 10.30am to discuss funding and workpans.

4. I have revised the OV application and struck out the projects which are now to be funded thru Orienteering Australia's participation funding.(see separate attachment).Work has begun on the budget and I am happy to make adjustments where applicable.(see separate attachment).

5. Darebin Parklands permanent course

This map and course are ready to be released to the public. It should be in this week's weekly e-bulletin. Maps available thru OSOA.

Smartphone Orienteering.

The MyOMaps App developer, Peter Effeney ran a very worthwhile launch and training session on Sunday 31st January at Westerfolds Park.

16 orienteers attended, with a small number very enthused to work with me to move the Victorian project forward. Don Fell has already provided many hours of his expertise.

The aim is to have all 6 permanent courses in/ near Melbourne with maps fully georeferenced and all locations checked for accuracy, ready for release by mid Year.

Tenancy Update

Email from Chuck Berger, Outdoors Victoria (we are tenants of Outdoors Victoria).

He raised a number of issues, the main concern is the continuing problem with Telstra (and our landlines)not acknowledging our existence. Firstly we do not receive any bills, but secondly the service is deteriorating (message says line is busy when it is not).

It is quite likely each of use will 'go it alone' in the future....when Telstra agree to come out and amend the lines.

Peta Whitford 15.03.2016

Correspondence

In coming-

1. Min for Sport – Hon John Eren MP – re Defibrillator successful application.
2. 2School Sport Victoria – re SSV national calendar (Orienteering is included) and 2015 Annual Report.
