Victorian Primary Schools Orienteering Championships 2015

Two very large and successful primary school championships have been completed.

- Western Zone 787 entries
- Eastern Zone 5004 entries

Resources and volunteer helpers were is shorter supply than usual due to the Australian MTBO championships being held immediately after western zone. Thanks to TKOC and Kevin Maloney for supplying additional pop up tents/tables/ chairs.

Thanks to OSoA for its continued support.

Delighted to report very favourable comments from staff, parents and even grandparents who attended the championships.

Report from Finish volunteer.....

Greg Hunt (Federal MP) made a special point of coming to the Finish tent to tell us it was one of the best organised sporting events he had attended. His daughter, Poppy Hunt (Toorak College) won the Grade 4 Girls. They received a promotional package.

SRV

Junior Transition Program

Anne Robinson has been appointed as the Junior Transition Officer. She has immediately been working on developing suitable information for primary schools champs students. Her resources and ability to handle this job are excellent.

There has already been a small flow on from the VPSOC with 5 students attending the Sprint into Spring at Eltham College.

Overseas scholarship orienteers

Peter Bray and Ralph Street have been engaged in a variety of activities: To my knowledge they include-

- Coaching following Park and Street O
- Coaching at Sprint into Spring
- Planning Junior Training Camp in December
- 2 day schools program for Gippsland region (at Rawson)
- Assisting schools program at Westerfolds Pk with Singapore students
- Working at both VPSOChamps.

Marketing program

Not sure what is happening with newly engaged social media expert.

SRV funding for 2016 – 2019
