School Sport Victoria

On Thursday 10th December I attended a Tier 3 Sports
meeting at SSV in Coburg. Other Tier 3 sports are:
Lacrosse, Cycling, Surfing, Handball, Water Polo, Touch
Football, Triathlon, Gymnastics, Rowing.

Tier 3 Sports requirements-

- Minimal participation figures in schools
- Endorsed by SSV but conducted by State Sports
Organisation (SSO).
- SSO co-ordinates and conducts an inter-school
competition.
- Offers a schools development program.
- Team Vic option – SSO can apply to send a team on
SSV behalf only.
- Tier 3 status is reviewed annually.

OV to sign to a SSV Partnership Agreement for 2016 – 2018

Small grant applications.

I have applied for the following grants for OV and I emailed
information to All O Clubs.

1. Defibrillator
2. Sunshade grant: 2- 3m x 3m sunshades (schools program).

Office Computer

In November the Toshiba computer was upgraded from
Windows 8 to Windows 10. This was a free upgrade because
Win 8 was purchased on the PC.

Subsequently there have been a few compatibility problems
I have employed Jarrah to assist with solving of these.

Jarrah has been unable to complete the Outlook Address
book reinstalment. He has been in contact with Crag F and
Geoff Hudson but neither can help. From my understanding
it relates to Google Apps that OV currently uses - which is a
free version but this is now not compatible with current
version of Microsoft Outlook. It requires the paid version
Google Apps for Business to function correctly. (quote
\$50pp/yr by up to 5 users eg peta@vicorienteering.asn.au)

The frustration of not having ones comprehensive email
address list is huge, and it is time consuming having to find
and insert email addresses again. Please can the Board
assist with taking action to remedy this problem?

ACHPER

On Thursday 26th November I presented a session at the
annual ACHPER Conference at Monash University.
10 teachers attended session.
