**5 STAR VISION - 2015 to 2020 - Five year strategic plan**

Date 14.12.15

Report to OV Board: By MTBO co-ordinator Peter Cusworth and Carolyn Cusworth.

<b>Objective</b>	<b>Progress to date</b>	<b>Contributing Activities</b>	<b>Assistance Required</b>
1.Add five active families a year in the state per annum	Increased start time envelop to enable both parents of small children to ride and increase range of participants		
2.Grow participation and participants 5% without increasing the number of events	Set 4 Summer Series 75 around Melbourne area with view to attract 'come and try it' riders.	Need to promote and advertise the events on a wider platform to attract newcomers	Access to info regarding website / social media sites being used by other 'O' groups and adventure MTB racers
3.Have a minimum of five entrants a year in every male and female age class in the major Victorian championships of all kinds in five years' time	Kay Haarsma is applying for funding designed to target Juniors and Women. These are categories that we need to improve re entrants.		
4.Have five new organisers, coaches or controllers each year to spread the workload	Targeted a couple of newer MTBO riders to assist with organisation of events		
5.Have five development series a year			

<b>General comments on events/ organisation/ concerns</b>		
1. Dates for events for the year for MTBO events now organised however, noticed that again changes to dates for events are done without informing other groups who may have an event scheduled on that weekend as well. 2. Actively encouraging Albury / Wodonga to be part of Vic Orienteering. They are running the 2 day 2015 Vic MTBO Champs in the Beechworth area in April. BK to assist with the Sprint and Eventor		
1. Good to see that Kay has continued with her application for a grant to coach and support Juniors and women in MTBO. Following up on the good work that is done with the Secondary Schools MTBO competition would be wonderful.		
1. Broadening the base of those who contribute to organising and running events / admin an ever present challenge.		
<b>Any recommended actions required</b>
