Event Details:

ALL Students

The format will be a 2 hour score event. Controls are visited in a random order. Each control is worth 20 points. The aim is to get the most points within 2 hours. There is a penalty of 10 points per minute late. Solos or Pairs coming in more than 15 minutes late will not have their time taken! Riders must stay on roads, tracks and paths and MUST NOT go through the bush (cross country).

Pre marked maps and Electronic SI card.

Each competitor will receive a pre marked waterproof map. Maps will be handed out when you register at the Information Tent, allowing students to pre plan their route. There will be mass starts for each category from 10.30am. Race finish time will be between 12.30pm – 1pm. One Si-card (electronic timing) per solo or pair will be handed out at each Mass Start.

What special gear do you need.?

A well maintained mountain bike, helmet, water bottle or camelbak, pump and repair kit, first aid (bandaids) and nibbles, watch or timepiece, map handlebar holder (you can make your own or carry map in your hand). Appropriate clothing and rain gear if it is wet. Mobile phones are not required. You carry one at your own risk.

Awards

An **Award Presentation** will take place approximately at 1.30pm

Place-getters in all categories and **winning schools of each category** will receive awards.
