Southern Cross Series 2014

Now taking expressions of interest for the Southern Cross Series 2014.

The Southern Cross Series pits city-based team Metro against team Country in a fight for glory!

Points will be taken from State Series races, but there will be an extra chance to earn points with a small, sprint- or relay-style race taking place after each State Series.

The aim of these extra races is to give Victorian orienteers a chance to hone their skills with some extra training in a fun and competitive environment.

To earn points for your team, you must be a member of the VOA. Competitors of all ages are welcome to compete.

If you are interested in competing, please email Aislinn Prendergast (aislinn.49@gmail.com) by the 7th of March with your name, email address, date of birth and town / suburb.

The first points will be taken from State Series #1 at Mt Baw Baw on March 9th with an extra race tentatively scheduled after the main event.

Also calling for expressions of interest for course setters for the extra races from amongst Junior and Elite orienteers. Course setting can be great training – there is no need to have prior experience.
